

Certificate of Carbon Offsetting

Date: 25 August 2026

Thank you Abendsonne Afrika for reducing your carbon footprint.
Your 2000 trees have been carefully planted at GPS locations:

Uhoho School - S-11.79719/E34.19641 (200)

VH Chibuli - S-11.13144/E34.0004 (300)

Makwalakwata School - S-11.95423/E34.09616 (1000)

Matete School - S-11.91155/E34.04872 (500)

Not only will your trees absorb $\approx 400,000$ kgs of CO_2 from the atmosphere over ten years, but they will also provide Malawian communities with food, medicine, fuel, shade and income-generating activities for years to come.
