Mukutan

ADOPTION PERIOD
22 July 2025 - 21 July 2027

Welcome to the Sheldrick Wildlife Trust foster family;

Abendsonne Afrika

Thank you for adopting Mukutan and supporting our pioneering Orphans' Project. Your generosity enables us to nurture orphaned wildlife like Mukutan, providing the specialised care they need to thrive and ultimately reclaim their rightful place in the wild.

We hope you enjoy following Mukutan's journey and are honoured to have you in our foster family.

Most gratefully,

Angela Sheldrick
