

Certificate of Carbon Offsetting

Date: 25 August 2026

Thank you Abendsonne Afrika for reducing your carbon footprint.
Your 2000 trees have been carefully planted at GPS locations:

Kazando FP School - S-11.99448/E34.06791 (1000)

Lembanyanja - S-11.93813/E34.10252 (500)

Machamu - S-11.95707/E34.07974 (500)

Not only will your trees absorb $\approx 400,000$ kgs of CO₂ from the atmosphere over ten years, but they will also provide Malawian communities with food, medicine, fuel, shade and income-generating activities for years to come.
