

# Certificate of Carbon Offsetting

Date: 13th January 2026

Thank you Abendsonne Afrika for reducing your carbon footprint.  
Your 2000 trees have been carefully planted at GPS locations:

Kande Club - S -11.93410; E 34.11110 - 500 Trees

Mkwachi School - S -12.11207; E 34.00886 - 500 Trees

Kambwali Club - S -11.93785; E 34.10185 - 500 Trees

Kalowa CDSS - S -12.12610; E 34.00591 - 500 Trees

Not only will your trees absorb 400,000kgs of CO<sub>2</sub> from the atmosphere over ten years, but they will also provide Malawian communities with food, medicine, fuel, shade and income-generating activities for years to come.

A handwritten signature in white ink, appearing to read "A. e.", positioned above a horizontal line.
